[The Walker Art Center](#) announces the presentation of a major retrospective on the work of American artist Allen Ruppertsberg (b. 1944), who has not been the subject of a comprehensive US survey for over 30 years. *Allen Ruppertsberg: Intellectual Property 1968-2018* is an opportunity to experience the artist's work with unprecedented breadth and depth. Many of the works included, from private and public collections in Europe and elsewhere, have never before been exhibited in US museums. On view at the Walker from March 17 – July 29, 2018, the exhibition will travel to the Hammer Museum, Los Angeles from February 10 – May 12, 2019. One of conceptual art's most rigorous and inventive practitioners, Ruppertsberg is among the first
